### **PASSENGER IMMIGRATION FORM**

Due to the strict security regulations of the US-entry authority, we are bound by the local authorities to hand out your personal data of the passenger immigration form.

Every passenger is obligated to fill in this form completely and to provide it to Princess Cruises / Inter Connect Marketing at least 6 weeks before Embarkation Day.

Without the Passenger Immigration Form we can not issue your travel documents.

You can complete the Passenger Immigration Form online at [www.princesscruises.com](http://www.princesscruises.com) (Link: Cruise Personalizer) or send it to us by fax 089-51703-102 or mail.

**Please note, that without correct and full names, boarding may be denied!**

The declaration of your credit card information is optional.

Most Ports offer an Express Check-in and a faster handling. To provide this convenience the details of your credit card are necessary. The credit card should be issued within 6 weeks before departure and has to be valid at least 1 month after disembarkation day.

**If boarding will be denied due to missing or wrong passenger immigration, the full cancelation fee will be charged (please read our terms and conditions).**

### **PASSPORT AND VISA**

All passengers need a machine-readably passport which has to be valid 6 months after the return date and must have enough empty pages for entry- and departure marks.

All passengers under 21 years must be accompanied by a passenger who is 21 years or older. For family groups booking multiple staterooms, children may sail in a cabin without their parents or guardians, provided one child in the stateroom is a minimum of 16 years of age or older.

Please note that a notarized written consent for passengers under the age of 18 years is no longer required by Princess. However, several countries require special documentation for children travelling without both parents; these requirements are subject to change without notice. In case of the sole right of custody, a running divorce, an adoption or similar circumstances, a certificate is necessary. With non-presentation Boarding may be denied.

It is your responsibility to ensure that you possess the proper documents for all of the countries that you will visit. Please verify requirements with the immigration offices prior to your cruise.

You will find the Visa Requirements for German Citizens attached to the invoice.

Passengers who do not possess the proper documentation will be prevented from boarding the flight or vessel without refund of the cruise or cruisetour fare and will be subject to any fine or other costs incurred by Princess which result from the lack of proper documentation.
